

## Metal Leaf

- Gives a traditional finish
- Ideal for beginners to metal leafing (traditional gilding)
- Produced from high quality rolled brass

### Product use

Liberon Metal Leaf is ideal for achieving a traditional bright finish and creating virtually the same effect as real gold leaf. Ideal for beginners it is produced from high quality rolled brass.

### Application

Build up the surface with Liberon ready to use Gesso. Once dry sand smooth. Reactivate the adhesive properties of the Gesso with water and allow to become tacky. Lay on the metal leaf and gently press down with a soft cotton pad.

**Important:** always test product on a spare surface or inconspicuous area for colour, compatibility and end result.

### Packaging
