Product use

Liberon Wax Filler Sticks are available in a wide range of wood colours. The advantages of an application without a heat source and no shrinkage make them ideal for use on finished furniture and other articles.

Application

Scrape off some shavings from the wax, enough to fill the hole, and soften with your fingers. Press into the crack or hole using a Liberon Plastic Scraper or other suitable tool. Level down with the scraper and buff off the excess with a cloth.

Important: Always test product on a spare surface or inconspicuous area for colour, compatibility and end result.

Colours

White, Ebony, Ivory, Light Oak, Medium Oak, Dark Oak, Mahogany, Dark Mahogany, Light Pine, Pine, Rosewood, Light Walnut, Medium Walnut, Dark Walnut, Dark Yew, Teak.

Packaging

50 g loose, 50 g BP, Box set of 16
