

Unit 3, Wellington Road, Waterloo Industrial Estate,  
Bidford-on-Avon, Warwickshire, B50 4JH

## Supply of Paramose Paint Stripper

### Terms & Conditions

In accordance with the new European Regulations 455/2009/EC, products containing Dichloromethane (Methylene Chloride) are FOR PROFESSIONAL USE ONLY - NOT TO BE USED IN PREMISES OTHER THAN INDUSTRIAL INSTALLATIONS.

In order to use Dichloromethane (DCM) products, the following terms and conditions must be adhered to:

- Effective ventilation in all processing areas.
- Measures to minimise evaporation from strip tanks.
- Measures for the safe handling of DCM in strip tanks.
- Use of suitable protective gloves, safety goggles, and protective clothing (compliant with Directive 89/686/EEC).
- Use of appropriate respiratory protective equipment where compliance with relevant occupational exposure limits cannot be otherwise achieved.
- Adequate information, instruction and training for operators in the use of such equipment.

Please complete the below details to confirm that you have agreed to the above terms and conditions.
