## GARNET POLISH

For over four generations, Fiddes have blended the finest natural Shellac to produce a range of French Polishes that have become internationally established throughout the fine woodworking and antique restoration market.

Fiddes offer a selection of different types of flake and powdered Shellac mixed to traditional, proven formulations that are suitable for both brush and rubber application.

A selection of 'Sprayable' Shellac Polishes have also been formulated and are available on request.

Richer & darker in appearance than both Button, and Heavy French Polish, Fiddes Garnet Polish affords a distinctive depth of colour, typical of this variety of flake shellac. It provides an ideal base colour from which to build an authentic Jacobean finish, particularly on oak wood.

## APPLICATION

Fiddes Shellac Polishes are ideally suited for application on top of Fiddes complete range of Wood Stains, Dyes & Shellac Sealer.

NB. Always finish with a coat of Fiddes Supreme Wax Polish or Mellow Wax Polish to further protect and enhance the natural beauty of your wood.

Application: Brush / Rubber.

Dry Time: 20 – 30 Minutes.

Coverage: 8 sqm per litre, depending on substrate and method of application.

Thinners: Finishing Spirit / Methylated Spirits

Coats: Two coats on hardwood, maximum of three on softwood or more porous timber.

Recommended for use on: Fine Furniture, Doors, Floors, Cabinet Work and Panelling.

Packaging: 1lt – 5l
